

## 2008 Midwest Fantasy Show Seminar Schedule

July 13-15, 2008 Columbus, Ohio  
[www.MidwestFantasyShow.com](http://www.MidwestFantasyShow.com)

The Midwest Fantasy Show and Midwest Haunters Convention offer a combined registration; with over 50 hours of seminars from industry experts. Full weekend seminar registration is \$89 for admission (only \$75 before March 31<sup>st</sup>, 2008). Seminar registration for either show includes access to both. Seminar guests will also receive discounted admission to the IAHA Saturday Masquerade party.

### Arts and Entertainment Track

- Sat 9:30      **Beginning Balloon Twisting** - Aaron "Dizzy Doc" Hay / Dizzy Doc's Extreme Balloon Art  
Dizzy Doc's "Introduction to Balloon Art" seminar focuses on making art with the medium of balloons at an efficient speed to have fun and to be creative with them. He will explore the multiple uses, different shapes and sizes, how the balloon works and the different types of twists and techniques that can be used to make anything. Dizzy has designed this class to condition your hands and mind to twist with ease. Whether you are a beginner or an experienced twister this class will help you develop a new understanding of the balloon and hone your skills to a master level.
- Sat 1:00      **Introduction to Clowning** - Ricky Dick / Castle Blood
- Sat 1:00      **Henna** - Erika Harrison / Amerikan Body Art  
Learn how to make henna paste as well as several application techniques. Get some tips on successfully adding this new art to your body art business.
- Sat 2:45      **Magic** - Chris Handa / M.D.I.M. Productions and Castle Blood  
Chris Handa will explain the structure, philosophy, and methods of the routines used as show openers in his professional repertoire for years. The methods are performable by magicians of almost any skill level, and are good tools for every performer's "bag of tricks."
- Sun 12:30     **Advanced Balloon Twisting** - Madelon Batteiger
- Sun 2:30      **Juggling** - Luke "the Juggler" Kareklas  
Add a second entertainment option to your personal talents with juggling! This course is designed to teach the basics of three ball/scarf juggling. Participants will learn in teams of two, starting with one ball and moving on to three ball juggling. Additional assistance will be available for the advanced juggler who would like to learn some new moves as well.

### Makeup Track - Continued

- Sat 9:30      **Airbrushing Boot Camp** - Donna Nowak / Showoffs Body Art  
This class is not for the weak~ we are getting dirty and using tools. Ready to trouble shoot those airbrush and other material issues. This class addresses “WHY DOESN’T THIS WORK”. Check those clean guns at the door; you’ll be dealing with only troubled ones. You have to fit it before you leave! If you survive this class – you’ll survive those Bad Days on the job!
- Sat 1:00      **Painting Fast Faces** - Gary Cole / Snazaroo
- Sat 1:00      **Intermediate Airbrushing** - Pashur / Pashur the Body Painter  
This workshop will deal with all the basics. How to take apart your airbrush, safety, what airbrushes and compressor to use, make up, the power of the dot, how to airbrush a smooth basecoat, using shields, freehand, and more.
- Sat 2:45      **Wolfe FX** / Wolfe Face Art and FX
- Sat 2:45      **Special Effects Application**
- Sun 2:30      **Intermediate Face Painting** - Sean Avram / Bravo Body Art  
You’ve learned the basics, you can paint a tiger, a butterfly and spiderman with your eyes closed. Now it’s time to punch up your designs with bold lines, incredible eye-catching colour combinations and surreal depth. Join Sean Avram in this intermediate course designed to teach you skills that will take your face art designs from fine to phenomenal. Use the same techniques you employ to create a butterfly as you do to make a perfect skull, zombie or dragon face. Sean will teach you easy ways to make your art memorable to your audiences and will help make you a “face-art entertainer”. You will learn business and marketing tips, easy secrets to making magnificent monsters and simple tricks to beautiful fantasy makeup. Sean’s seminar promises to educate and entertain in a relaxed, enjoyable setting.
- Sun 2:30      **Swirls and Curls for Girls** - Madelon Batteiger
